

EXAMINATIONS POLICY: STUDENT CONDUCT AND APPROVED MATERIALS

Student identification

1. Students must place their University student ID cards face up on their desktops as soon as they enter the exam room and are seated. The ID cards must remain on desks throughout an examination. Photographs on the cards will be checked by invigilators during the examination to establish that the ID card belongs to the student at that desk.
2. Students without a University student ID card will be allowed to sit the exam if they can show their valid driving license or passport or similar form of official photo ID.
3. If the student does not have their ID card, the invigilator must ask Registry Services to confirm the identity against their photograph stored on the university's student record system.

Materials allowed in examinations

4. The invigilators will identify where students must leave jackets and bags, usually at the front or back of the room as appropriate for the venue.
5. Mobile phones must be switched off as students enter the room, and left at the front or back of the room as appropriate. Students may not have mobile phones with them during an exam.

8. Any additional material brought into the examination room should be removed by the invigilators.

9. All exams will be written in the official answer booklets unless the format of the exam makes this impossible. Where there is an exception to the use of the official answer booklet, this will be stated clearly on the exam question paper. Additional booklets and sheets of paper will be supplied by the invigilators if required.
10. Extracting pages from official answer booklets, and/or the removal of blank answer books from the examination room is regarded as academic misconduct.
